(Procurement) Division

Thank you for your response to our Request for Quotation # **D209-067-RN**. For your information, the following is a tabulation of all responses which were received. This quotation was awarded to: **Midwest Systems Truck Equipment**. If you have any questions, please contact me at the address/phone number shown above. Buyer: Jennifer Weydert, General Services Specialist

Project Overview: (Complete Details in the Request for Quotation D209-067-RN). Materials & labor needed to remove a Versalift VST-240-N aerial unit, steel service body and accessories from an existing 2002 Ford F550 chassis and transfer it to the chassis of a new 2009 Dodge 5500, both with a cab to axle of 84 inches. The vendor will install a fan belt driven clutch hydraulic pump system onto the new chassis and modify existing mounting hardware to fit the new chassis. The vendor will also install a new ICC bumper with Class V receiver hitch. No repainting of the unit will be required.
